

Global Governance, Underground Economy and Its Impact on Health and Human Security in Greater China and East Asia

Knowledge Exchange Workshop

Date: 15 June 2013 (Saturday)

Venue: The University of Hong Kong,
Centennial Campus,
Run Run Shaw Tower, Room 4.36
Arts Faculty Academic Conference Room

Time: 9.15 am - 5.30pm

This one-day workshop provides a forum for the public, HKU staff and students as well as specialists from East Asia to exchange views on the development and growth of the various illicit industries in East Asia. The papers would address the impact of these illicit industries on health and human security and consider the challenges these activities have for global governance and sustainable development. This workshop is generously funded by the HKU Knowledge Exchange Office and the HKU CEDARS 82' Alumni Green Fund. Topics that will be discussed include:
